

CartonPro 1200 Semi-Automatic Carton Sealer

Model / SKU: PKG-120 | **Category:** packaging_equipment

Manufacturer / Supplier: PackRight Systems Pvt. Ltd. (SUP-PKG-11)

Headquarters: Pune, Maharashtra, India

Product Overview:

The CartonPro 1200 (PKG-120) is a robust semi-automatic carton sealing machine engineered for uniform corrugated carton lines. Top and bottom tape drive heads apply pressure-sensitive adhesive tape simultaneously for clean, consistent carton closure.

Critical Operational Notice (PR-TECH-07):

PKG-120 is semi-automatic: an operator positions and feeds an already erected carton, and the machine applies tape to close it. It does **NOT** erect cartons. Compatible tape width is 48–72 mm. Adhesive tape is not included in standard delivery unless explicitly stated on the purchase order.

Datasheet Revision: 2026.1 | **Document:** PKG-120_datasheet.pdf

CartonPro 1200 — Technical Specifications

Parameter	Specification	Notes
Throughput Speed	Up to 18 cartons/minute	Continuous belt drive
Min Carton Size (W × H)	150 mm × 120 mm	Standard mast setting
Max Carton Size (W × H)	500 mm × 600 mm	Top mast setting
Adhesive Tape Width	48 mm to 72 mm	BOPP / PVC tape compatible
Power Rating	0.38 kW	Dual drive motors
Electrical Supply	230V AC, 50 Hz, Single Phase	Standard industrial socket
External Dimensions	950 × 850 × 1450 mm (L×W×H)	Adjustable conveyor height
Machine Mass	370 kg net	Lockable castors included
Conveyor Height Range	580 – 780 mm	Threaded level adjusters

CartonPro 1200 — Commercial & Commercial Terms

Commercial Parameter	Terms & Value
Catalog Unit Price	INR 78,000 (ex-works)
Minimum Order Quantity (MOQ)	1 unit
Standard Lead Time	10–15 working days from PO confirmation
Warranty Coverage	6 months covering all standard parts and motors
Supplier Support Region	India, UAE
Installation & Training	Plug-and-play installation; video manual provided
Tape Consumable Scope	Tape rolls are NOT included in standard package
