

PolarVault VC700 Upright Display Chiller

Model / SKU: REF-700 | **Category:** commercial_refrigeration

Manufacturer: PolarNest Commercial Cooling (SUP-REF-31)

Headquarters: Ahmedabad, Gujarat, India

Product Description:

The PolarVault VC700 (REF-700) is a premium commercial upright glass-door display chiller designed for retail beverage merchandising, fresh dairy, and packaged perishables. Features forced-air fan circulation for rapid temperature pull-down and uniform cooling.

Important Operational Advisory (POLAR-OPS-02):

REF-700 is a chilled display unit documented at **+2°C to +8°C**. It is **NOT a freezer** (frozen storage is handled by chest freezer REF-320 at -18°C to -24°C). Furthermore, REF-700 is **NOT certified as medical-grade** equipment.

Datasheet Revision: 2026.1 | **Document:** REF-700_datasheet.pdf

PolarVault VC700 — Technical Specifications

Parameter	Specification	Notes
Temperature Range	+2°C to +8°C	Chilled storage (not a freezer)
Gross Volume	700 Litres	Internal usable volume
Cooling Technology	Forced-air cooling	Even cold distribution
Power Input	650 W	Peak running power
Electrical Rating	230V AC, 50 Hz	Single phase supply
Eco Refrigerant	R290 (Propane)	Low GWP hydrocarbon
Door Architecture	Double-glazed self-closing door	Low-emissivity glass
Shelving System	5 adjustable heavy-duty shelves	Plastic-coated wire shelves
External Dimensions	800 × 740 × 2050 mm (W×D×H)	Includes top canopy
Net Mass	118 kg	Unpackaged unit mass
Medical Grade Status	Not certified (null)	Commercial retail grade only

PolarVault VC700 — Commercial Terms & Warranty

Commercial Parameter	Terms & Value
Catalog Unit Price	INR 74,500
Minimum Order Quantity (MOQ)	1 unit
Standard Lead Time	8–18 working days
Compressor Warranty	24 months coverage on sealed compressor unit
Other Parts Warranty	12 months coverage on electricals and thermostat
Regions Served	India, Sri Lanka
Refrigerant Compliance	Non-ODS R290 eco refrigerant
